FINISH: black resin & natural tapioca w/olive ash wood (all vary)

Like stars lighting up a nighttime sky, natural bits of tapioca set in black resin actually create this miniature galaxy on the lids of these far-out boxes. Sanded down until smooth, the colors of grey, beige, and black expertly play against the gorgeous grain of a light olive ash wood veneer on the box sides. Sold as a set of two boxes in sizes small and large, each interior is lined with luxe black felt. Finish will vary.
