PRODUCT DESCRIPTION

The dome, the arch, the vault -- all architectural forms that resonate in the human mind. The Mizner family of light fixtures reflects these iconic shapes with contemporary flair. This flush mount boasts four unique glass spheres. Metal on the top half and the bottom glass layer contains a one-of-a-kind assortment of bubbles. Clear on the outside and etched on the inside, each orb provides unique dimension and depth to the LED light they shed. 4-4W maximum, LED bulbs only (included). Damp-rated.
