Contemporary and cool, this striking chandelier boasts sleek metal rods finished in natural brass that seemingly balance in mid-air. With clean lines and a design ingenuity showcased by arms that can be positioned in countless ways, this fixture is not only show-stoppingly handsome but versatile. Customize your design style even further with decorative light bulbs - like white frosted globes for a Mid Century vibe or go

moodier with vintage Edison-style lights. Requires twelve Type G-E12 candelabra bulbs (not included). Finish will vary.
